We are currently in the process of planning for the RYLA 2010 conference. Attached is a timeline of important dates to remember as your club prepares for participation.

**Please place this timeline somewhere you will see it often.** We have also attached a duplicate copy of the timeline for you to pass along to your club's president if different from yourself.

All club registration forms, information sheets, press releases etc. can be found in the enclosed packet. This information is also available for download on the RYLA website at [www.ryla7280.com](http://www.ryla7280.com) under the heading Rotary Chair Information. If you have difficulty accessing these forms, please contact Connie McGinnis at (724) 946-7354 or at the above email address.

Last year we sent DVD(s) to share. If you are a new RYLA Chair or need additional, please call Connie.

***Due to limited space at Westminster, we will be limiting the number of participants to 105.*** It is important for you to meet the deadlines to secure registration spots for students from your area. We look forward to working with your club this year to make another successful RYLA conference!
