RE: Seneca Valley Education Association Negotiations

Dear Messrs King and Breth:

The Seneca Valley Negotiating Team has requested that I extend an offer to the Seneca Valley Board members. Inasmuch as the board has requested that all communications go through you, we are asking that you promptly convey the message.

The SVEA bargaining team is respectfully requesting to negotiate with the Board's team, without the professional negotiators from either side, Friday evening, Saturday and Sunday (location and hours can be arranged between the parties) to reach an agreement. This is a dispute between the employer and the employees and the parties to the dispute need be the ones negotiating. Any of the board members are welcome to contact Patrick Andrekovich by either phone or e-mail. Our desire is to bring these negotiations to a conclusion and get the students back in the classroom. The community is calling for negotiations; SVEA is willing to negotiate.

Yours truly,

Joy Conley Kacik
Midwestern Region Field Director
Pennsylvania State Education Association
